Your order can be printed and delivered to you within 10 Business days!
 (Ask about our rush service!)

Let Add Impact come up with a solution to fit your business' challenges -no charge consultation!

OBJECTIVE	SOLUTION
Reduce Costs	Corporate Branded Merchandise Programs ensure your brand is protected. This type of program helps consolidate costs of the merchandise throughout the company, and allows your employees to concentrate on your business...not shopping for promo items.
Reward Loyal Customers	Custom-Ordered Branded Merchandise or Gifting Programs recognize those special people that contribute to our success, by giving them something designed especially for them.
Motivate Employees	Employee Recognition and Reward Programs - can be either a years of service program to present that gold watch, or a points-based recognition program that allows employees to select the lifestyle products of their choice.
Increase Sales or Drive Performance	Points-Based Incentive Programs , allow you to track performance on-line and recognize performers when they reach specific goals.
Protect Brand Integrity	Corporate Clothing & Uniform programs , ensure that your brand message is prominent to your customers and your branding standards are strictly adhered to.
